OUR SCHOOL

City View Charter School is a tuition-free public charter school serving Kindergarten through 8th grade in the Hillsboro School District. Our learning model is based on a framework for engaged teaching and learning called EL Education. This model of curriculum is active and collaborative. We value authentic learning experiences by connecting to the natural world and collaborating with our communities. The best part about City View is that all members of the school community work together as a team to pitch in and help others. This team work fosters leaders in the school and the community.
